WPC 021

9th February 2010

Dear Parents, Staff and Students,

As the Chinese New Year break approaches, it is with great pleasure that I write to you to inform you of a significant appointment that has recently been confirmed.

Mr. Nicholas Botting has been formally appointed to the post of Whole College Deputy Headmaster.

I have previously worked alongside Nick and know that he will bring a commitment and passion that matches our vision and philosophy perfectly. Having previously held positions that include Deputy Head, Head of Secondary School, Deputy Head of Secondary School and Director of Studies in Finland, Thailand and Spain, Nick is regarded as one of the strongest exponents in his field and specialises in the leadership and design of educational programmes.

Nick will be visiting us in March, with his family, and I would hope that we can arrange for an informal gathering where some parents may be able to meet Nick and start the process of getting to know him.

I'm very excited by this appointment and see this as yet another key moment in our school's development and maturity.

With very best wishes for an enjoyable break, or, in the case of our Year 11 and 13 students – best wishes for a productive revision period!

Paul Friend
Headmaster
