## Previous Discussions

- The role of the Junior School
- The whole child
- Children, like adults, are not robots
- Data only tells part of a story
- value added ~ what value have we added to your child's educational development
- targets ~ achievable? realistic?

## UK National Targets versus DCS Targets

<b>Age Group</b>	<b>UK National targets</b>	<b>DCS targets</b>
2	2b	2a
3	2a/3c	3b
4	3b	4c
5	3a/4c	4a
6	4b	5b

## Things to consider

- How long has your child been taught in English?
- How long have they been at DCS?
- Are they EAL?
- What is progress like in other areas of the curriculum?
- Extended holidays ~ I do not mean don't have them!
- Look for two fine grades per year ~ One year you might get one fine grade and the next three fine grades.

## Things to consider

- Teachers are expecting to discuss at your next parent teacher evening
- You will be offered a slot for both class teacher and maths teacher (if different)
- Future written reports will always carry current levels and target levels for the coming year.
- Looking to publish % achievement of National and DCS targets.
